

Keep It Real BOX

Wed, 19/09/2018 - 15:58 -- Žilvinas Mažeikis

Type of tool:

Activity

Duration:

60-90 min

Topics addressed:

European programmes

Learning mobility

Project management

This toolbox contains 9 methods which empower young people to fill in applications for Erasmus+ and European Solidarity Corps projects by themselves.

Aim:

Helping young people to prepare for their first Erasmus+, European Solidarity Corps, national or local youth project.

Methodology:

Cooperative learning and e-learning

Step by step process:

You take the methods (printed cards and the rest) from the box, read instructions and implement them as described. If you don't want to read, you can watch video instructions in Youtube.

Materials and resources:

Keep It Real box;

Few board games;

Paper and pencils;

Laptop;

Outcomes:

Young people will draft their first project application.

Evaluation:

Advantages: visual, easy to implement, fits for big groups, easy to personalise.
Disadvantages: requires internet connection.

Rating:

Average: 5 (1 vote)
