

Ocupa-te Mais/Geração Global

Thu, 09/09/2021 - 15:15 -- Eduardo Rodrigues

Type of tool:

Activity

Duration:

30-60 min

Topics addressed:

Human rights

School

Social inclusion

Pre-training or school integration programme that aims to the aquisition of personal, social and group competences and human rights for NEET young people. The goal is to promote a sucessfull integration of these young people through a 6 month programme.

Aim:

Promote integration of NEET young People. Promote Human Rights awareness.

Methodology:

It is based on Peer learning and roleplaying activities, as well as a therapeutical approach with an individual plan for each participant. Regarding the toolkit it is mainly focused on discovery-Based learning

Step by step process:

First there will be a brief explanation of the programme and the Toolkit, followed by an example of one of the many activities conducted in the 6 month programme, focused on invisible discrimination. This will be the topic of the activity.

Materials and resources:

A projector will be needed for the methodology presentation. The toolkit that we will take with us.

Outcomes:

To give a more clear idea of what kind of methodology can be used with NEET young People
