Develop your own EuroMed strategy

Wed, 17/07/2013 - 19:03 -- SALTO EuroMed

Type of tool:

Activity

Duration:

60-90 min

Topics addressed:

EuroMed

The tool tackles the planning of a EuroMed cooperation strategy in youth work.

Aim:

To define an ideal strategy of a EuroMed partnership in youth work.

Step by step process:

As a starting point for this strategy we will relate to the deep diagnosis of representatives from 25 European and Mediterranean youth organisations. As a first task we ask you to review all their needs and offers and to reach a common understanding. Out of this needs and offers we ask you to formulate a mission and a vision for an ideal EuroMed partnership in youth work. You should also define measurable ends, the means you need to deploy and the tactics you could employ to reach your ends.
