

## Gestures Dominoes

Mon, 20/10/2014 - 14:52 -- Olga Colesnicova

**Type of tool:**

Activity

**Duration:**

0-30 min

**Topics addressed:**

Personal development

Intercultural learning

Networking

Well known Dominoes can be good tool for study. Tiles can contain cartoons and cartoon's descriptions of learning topics.

**Aim:**

From 5- 17 depend of tiles context.

**Methodology:**

Good tool using studying by doing principal.

**Step by step process:**

Instruction:Dominoes tiles consists of two field: cartoon, and cartoon description on the other domino  
Collecting logical circle from tiles, players learn the components of studying topic. Aim to make a logical circle. Only in case completed circuit between cartoons and cartoon description domino is completed correct.

Plaing time: 10-15 minutes

Outcomes to group: Which team was faster? whereby?

**Materials and resources:**

Players: Can play 1-20 persons. More than 5-6 participants can be grouped on teams by 3-4 persons.

Material: Necessary to prepare and print dominoes tiles.1 set for each team

**Outcomes:**

Based of my experience learning by delving much more successful than teaching telling.

## Notes for further use:

Tiles can contain cartoons and cartoon's descriptions of different learning topics.

## Rating:

Average: 3 (1 vote)
